

Lost Child

Lyrics and Music by Holly Circle and Jimmy Steffen

Lost Child,
Livin' life so wild
Tryin' to hide from who you are

Lost dreams, glitter in the past
But dreams of your heart will always last

I wish you could hear me – do you hear me?
I'm calling out your name
I would never judge you
And I'm not here to blame

Lost Child,
Shivers in the night
Down pour the tears you try to fight

But I'm here
I've always been so near
Come follow me into the light

Don't you remember, the secret in your soul?
You've got it all, and you can still stand tall – yeah
Lost Child

(repeat chorus)

You can come back home
Come back home to me – Lost Child
You can come back home – Lost Child
